- Reverse Engineering Technology
- We have the ability to do more in house including laser, weld, machine and paint.

Products

- Brackets
- Spacers
- Plates
- Shafts
- Pistons
- Bearings
- NC Blocks
- Pins
- Screws
- Gun Parts
- Aircraft Parts
- Automotive Components
- Engine Components
- Hardware
- Tank Components
- Motorcycle & Bicycle Parts
- Precision Turned Products
- Fabricated Metal Products
- Plastic Parts
- Anything Machined

Machines

- Doosan CNC 4 axis Horizontal Mill
- Doosan CNC Vertical Mill
- Haas CNC Mill
- Mazak Lathes with Live Tooling & Bar Feeder
- Southwestern Lathe
- Bridgeport Mills
- CNC Plasma Table
- Welding Department
- Saw Department
- Deburring Tumbler
- Inspection Room with Equipment Tracable to N.I.S.T

Services

- Design in MasterCam
- Trouble Shooting
- Inspection
- Tool Modification
- Prototyping
- Production
- Assembly
- Fabrication
- Machining
- CNC Milling
- CNC Turning
- 3D Printing
- Grinding
- Laser Cutting
- 3D Milling
- Multi-Axis Machining
- CMM
- Tolerances +/- .0002
