- |                       |                        |
|-----------------------|------------------------|
| - Design in MasterCam | - CNC Milling          |
| - Trouble Shooting    | - CNC Turning          |
| - Inspection          | - Laser Engraving      |
| - Tool Modification   | - Grinding             |
| - Prototyping         | - Laser Cutting        |
| - Production          | - 3D Milling           |
| - Assembly            | - Multi-Axis Machining |
| - Fabrication         | - CMM                  |
| - Machining           | - Tolerances +/- .0002 |

### Differentiators

- Quick turnaround and 96% on time deliveries
- Responsive, Clear Communication and 24-48 hour quote turnaround time
- Inspection Equipment Traceable to N.I.S.T.
- Complex CNC Machining
- Reverse Engineering Technology
- We have the ability to do more in house including laser, weld, machine and paint.

### NAICS Codes

- 332710 - Machine Shops
- 332510 - Hardware Manufacturing
- 336413 - Aircraft & Auxiliary Equipment Manufacturing
- 336991 - Motorcycle, Bicycle & Parts Manufacturing
- 336992 - Military Armored Vehicle, Tank & Tank Component Manufacturing
- 332721 - Precision Turned Product Manufacturing
- 332722 - Bolt, Nut, Screw, Rivet & Washer Manufacturing
- 332313 - Plate Work Manufacturing
- 332999 - Miscellaneous Fabricated Metal Product Manufacturing

### Products

- |             |                  |                 |
